CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Colleges administration is much decentralized with participatory form of management. The Principal, being academic and administrative head of the College, manages all the activities and ensures implementation of academic discipline. The long term vision of Principal for both academics and administration guides, motivates and encourages the staff to actively involve themselves towards realizing the goals and objectives of the College. Principal also coordinates with outside agencies like University, UGC and States Higher Education Department and other Govt. bodies for compliance with necessary regulations. The members of the teaching staff along with the Librarian and Sports Officer constitute the Staff Council. The Principal is the Chairman of the Staff Council. The Council Secretary is elected on the basis of seniority and only the senior most faculty member is entitled to become the Council Secretary. Teachers are members and conveners of various committees institutionalized for smooth functioning of the College. Each committee has a

convener who convenes the meeting of the committee and record the minutes of meeting. The Staff Council Secretary keeps the records of the proceedings of all the meetings. Department Heads and Principal are accountable for implementation of Academic calendar, completion of syllabus, internal assessments and annual practical and theory examinations. Decentralization of administration ensures responsible independent thinking among the faculty members. The faculty members decide among themselves on course distribution, teaching plans, theory practical classes and syllabus completion.. Two practices of decentralization and participative management during the current year are provided below: (1) The annual and semester examinations carried out timely for which separate examination committees for Arts, Science and Commerce streams were formed to conduct the respective exams in three different shifts. Each committee comprised of exam superintendents and assistant superintendents who managed all the activities related to examinations of their stream and shift. The examination committees were responsible for smooth conduct of the exams by preparation of seating plans, arrangement of exam halls, invigilators duty chart, collection and dispatch of the answer sheets to the affiliating university. (2) The NSS committee organized the NSS camp in Odarskari village near to college during 1st Dec.2016 to 7th Dec. 2016. The NSS committee conducted meeting to decide the venue and dates for the NSS camp. The NSS in charge was rested with the responsibility of conducting all the activities and coordinate with villagers, students and government officials during the NSS camp. (3) The annual function committee organized the annual function and prize distribution in college campus on date 6th Feb 2017. The committee conduct the meeting and chalk out the program activity under the supervision of head of the institute.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Title of practice: Reverse osmosis (RO) system **Objectives of practice:** 1. To provide better drinking water capability. 2. To spread the message among the students and society for drinking water from the R.O Water system. **The context:**

Reverse osmosis (RO) is a water purification process that uses a partially permeable membrane to separate ions, unwanted molecules and larger particles from drinking water. In reverse osmosis, an applied pressure is used to overcome osmotic pressure, a colligative property that is driven by chemical potential differences of the solvent, a thermodynamic parameter. Reverse osmosis can remove many types of dissolved and suspended chemical species as well as biological ones (principally bacteria) from water, and is used in both industrial processes and the production of potable water like that in the institute level. **The practices:** To get better improvement of the drinking faculty in our institute brought two R.O water system under the funding of U.G.C in 2015-16 with full capacity of purification of water in our rural area **Evidence of the successes:** The R.O water system are installed in two places our institute one in staff room and other is on drinking water area where the all the students and staff members of our college get benefited in all session.

Title of practice 02: Health and Hygiene **Objectives of practice:** 1. To provide better Health and Hygiene capability. 2. To spread the message among the students and society for health and hygiene. **The context:** Health and Hygiene are two essential concepts when it comes to the human body. Health refers to the state of physically as well a mental well being. Health also encompasses the social well being of an individual. Health is not just about being fit but also having the appropriate resources to live. Having a sound body and mind is an indication of good health. Hygiene refers to maintaining good health through practices that focus on cleanliness. Good Hygiene helps to prevent the spread of diseases and illnesses. Hygiene and health go hand in hand. In today's world, where pollution levels are rising and numerous diseases emerging, good health and Hygiene are a necessity. **The practices:** To get better improvement of the Health and Hygiene in our institute installed R.O. water system, cleanness of campus, green campus ect. **Evidence of the successes:** The Health and Hygiene our institute he all the students and staff members of our college get benefited in all session.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

1. Institutional Distinctiveness due to Teachers and Students - The Staff Council Secretary of the College with NSS unit's adoption of village with the view to make students aware of the problems of the society and to alert them towards community services village Adarsakri 5km away has been adopted by the college. Initially a socioeconomic survey, based on various parameters, was conducted by the students of the Department of Geography with NSS units in the adopted village. The outcome of the survey shows that Adarsakri, facing the ODF, digitalization problems. During the meeting with village Panchayat members it was found that this has become a problem for the villager. Keeping in this view, the college held a Gram Sabha, wherein this issue was discussed with the villagers, present there in a large number. They admitted that things are getting worse since almost a whole generation is being ODF and lacking of digital technology facility like that net banking online form filling beside that another issue was disused like that liquor addiction. For a counselling programme the college was organized seven days NSS camp and the people were alerted towards above problems The lady Sarpanch of the village, played a major

role in this endeavour, as she coordinated the whole affairs proficiently and enthusiastically. 2. Institutional Distinctiveness due to Teachers and committee of Nirdhan Chatra kosh benefitted to poor students for helping payment examination fee.
