6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities :

IQAC being the central body within the college continuously monitors, reviews and takes steps to improve the quality of the teaching-learning process. The improvements based on feedback implemented are:

Academic Calender : Based on the University Academic Calender the college schedules the Academic Calender well in advanced , displayed and circulated in the institute and strictly followed.

Induction Programme: All newly admitted students have to compulsorily attend the Induction Programme, in which they are made aware of the uniqueness of the Education system, the teaching-learning process, the system of continuous evolution, various co-curricular activities, discipline and culture of the institute. All students are also given a guided tour of the campus and the various facilities.

Preparation of lesson plan: The lesson plan is prepared by the faculty members for all the subjects they teach in that particular semester and year. Enriching the curriculum with guest lectures and institute visits.

Evolution of Teacher: The academic audit committee monitors the execution of timetable, regular teaching in a classroom, and teaching diaries to conduct a proper teaching system in college.

Feedback from students is also taken by teachers for their respective courses. Students are also free to approach the principle of the college for feedback and suggestions.

Student learning outcomes: The institute monitors the performance of the students regularly. It has specified procedure to collect and analyse data on student

learning outcomes. The following points are adopted by the institute in this context:

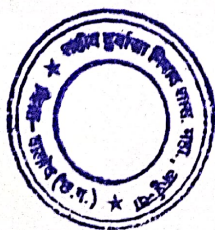

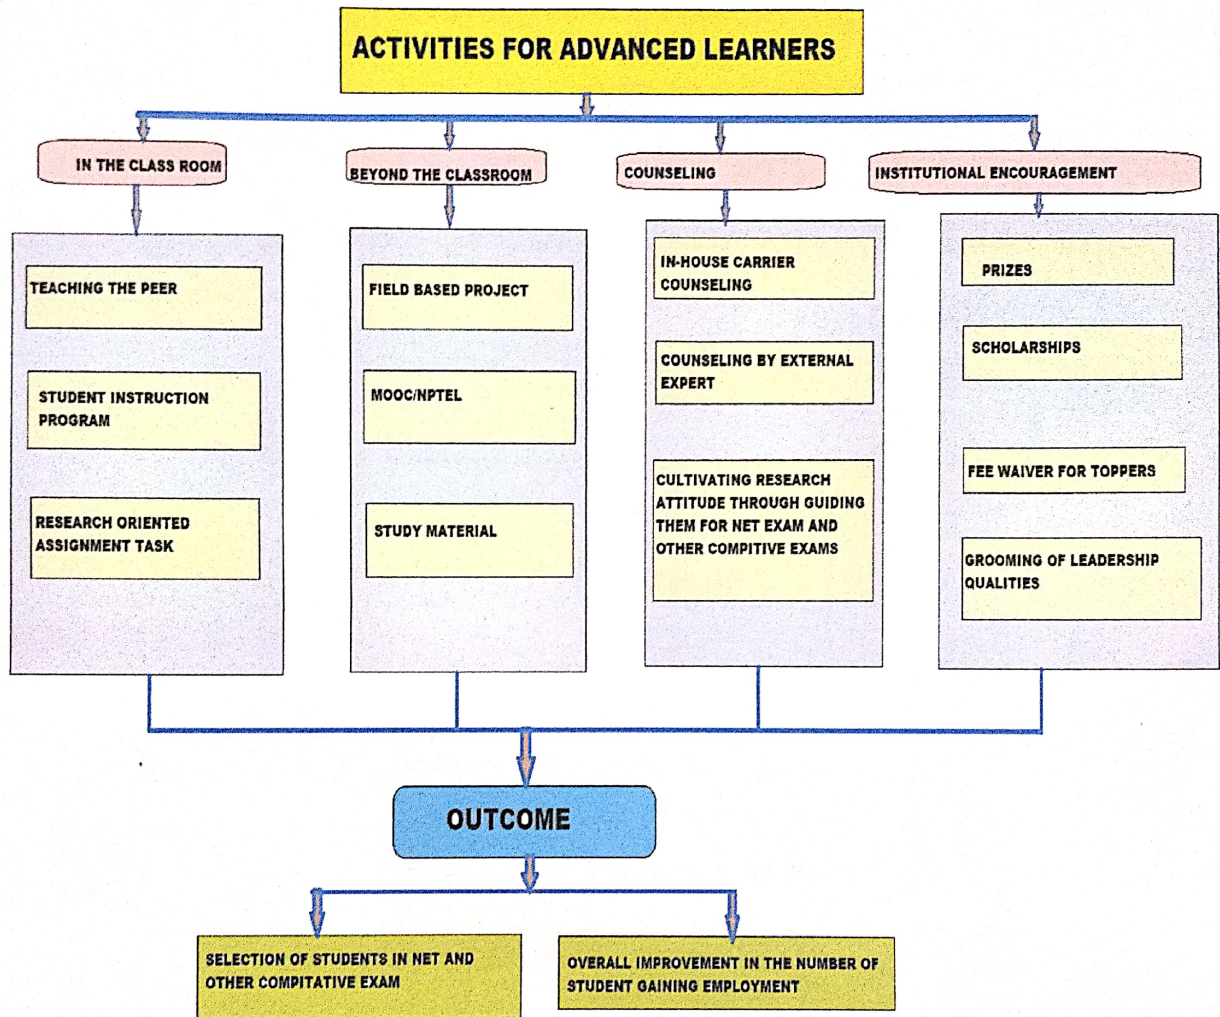

- Regular class test and interactions
- Continuous evaluation comprising of internal tests, assignment, group discussion and seminar presentations.
- Yearly system exam for UG courses and Semester system exam for PG courses.
- Providing Question bank of various subjects to the students.
- At least 75% Attendance is Compulsory in each semester and year.
- Extra classes for weak students to solve their problems.

Effective internal examination and evaluation system: College maintains an effective internal examination and evaluation system.

Student's result analysis: Institute has the provision of analysis of student's performance in after the announcement of their results. If the result of the student, a subject, is not found up to the mark, necessary steps are taken to find out the reasons and the concerned faculty members are counselled and motivated to work towards improvement.
