

IQAC Report (2023-24)

In the session 2023-24 four meetings were conducted by IQAC.

Achievements of IQAC for academic session are as follows:

- IQAC faculty members were motivated by IQAC to continue research work and to publish research papers in reputed journals.
- HOD's and faculties of various departments were encouraged by IQAC to organize workshops and seminars in their departments.
- IQAC overlooked the departments/teachers to follow academic calendar strictly.
- IQAC directed to organized skill development program to different departments.
- Department of Home-science organized traditional embroidery training workshop.
- Botany department organized workshop to learn grafting/budding in plants.
- Career counselling and guidance programs were also organized in the institute under the supervision of IQAC.
